

# Belly Plate Stands - legs

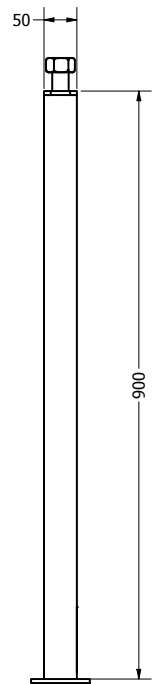

Simple yet effective, this set of 4 sturdy stands will support the load of a belly plate up to 800Kgs, making TED available to continue with other jobs. These are perfect for the field where there is no access to forklifts and cranes. Used in the workshop these stands will save time and personnel waiting for a free forklift and operator.

## Specifications

Tare Weight	17 Kgs
Safe Working Load	800 Kg When used as a set of 4
Part Number	TED-ACC-001-00
